# Dedication

We,
The Class of 1963,
with great respect and admiration
take great pleasure in dedicating
THE 1963 GRIFFIN
to

## Mr. and Mrs. Roy E. Hendricks

For their service and loyalty to the students of Perkiomen School

# Editor's Foreword

Arnold Moyer

We, The Griffin Staff, have put forth many long hours to make the 1963 Griffin a yearbook which will long be remembered. It is our hope that this book has captured the fonder memories of our senior year as well as the highlights of our various activities.

This year has seen the rise of a new Science Building and also the creation of several successful athletic teams on campus. In the near future new buildings are to be added to this already famous institution.

We wish to express our appreciation to all those in the school and in the community who have helped in making this year's Griffin possible. We also wish to thank our advisor, Mr. Horn, who has put forth many hours of hard work in the process of developing this yearbook.

It is our hope that this year's Griffin brings you as many hours of enjoyment as we know it will bring us in the years ahead.

# Message From The Headmaster

DR. STEPHEN W. ROBERTS, A.B., B.S., A.M., LL.D.

Perhaps these are the days to quote famous men and to reflect on their wisdom. I give you Aristotle first: "All who have meditated on the art of governing mankind have been convinced that the fate of empires depends on the education of youth." Surely this has never been more true than now. The fate of empires *and* democracies now lies in the hands of the young people at this very season coming out of our schools all over the land. This accepted fact gives to the teachers and administrators of our country a deep sense of responsibility and humility.

The second quote is from John Ruskin and may have a few strange phrases within it: "Education does not mean teaching people what they do not know. It means teaching them to behave as they do not behave. It is not teaching the youth the shapes of letters and the tricks of numbers, then leaving them to turn their arithmetic to roguery, and their literature to lust. It means, on the contrary, training them into the perfect exercise and kingly continence of their bodies and souls. It is a painful, continual, and difficult work to be done by kindness, by watching, by warning, by precept, and by praise."

And so at Perkiomen, we have tried to give you not only knowledge, but wisdom; the facts, and the way in which to use them; the standards and the spirit to follow them. At times it has been "painful" to some, it has certainly been "continual" and "difficult" but you may be certain that it has been attempted with "kindness". And where "praise" is due, it has been given.

I wish to commend the officers and proctors of the Class of 1963 for their leadership and loyalty; and for their initiative and foresight. The newly formed Student Advisory Council is a case in point. Given comparable top leadership (and a high standard has been set this year!) this new organization may well become a great force on the campus.

Our good wishes and our hopes go with you. May you bring honor to Perkiomen as you continue on your way.

STEPHEN W. ROBERTS

# Message From The Director of Courses

RALPH J. HOSSMAN, A.B.

As Fourth Formers you now stand at that point in your lives where soon you will be testing your mettle in a world you have long known, but seldom have been called upon to meet on equal terms. We have tried to help you to establish standards with which you can measure yourself and your actions in that world. Inevitably you will find that it is a world filled with apparent contradictions.

Many of the principles taught you by masters, parents, and church will seem to have little practical or positive value in the frantic status seeking and scramble for material success of our time. Cynicism, rationalized as realism, is the easy answer to the seemingly opposite way the world *does* live from the way you have been taught it *should* live. It is the answer accepted by those who seek only the obvious and the simple, who insist on blacks and whites where only gray exists, who demand absolutes where only questions are possible.

They are the short-sighted among men, for they fail to see all about them proof that the progress man makes comes not from what he does, but from the ideas and ideals that prompt his actions. The better life we seek can become a reality only because a Peace Corps volunteer is at work in a remote Peruvian village; because an anonymous businessman refuses an easy profit from a legal but morally dishonest deal; because a promising college senior chooses teaching or the church as a life-work—the list could go on but you finish it.

That such ideals are imperishable in men and that they are irresistibly at work in all ages is amply demonstrated in the world's history. Suffice one instance from our own time when the brilliant young Soviet poet Evgeny Evtushenko—the product of a controlled political educational system dedicated to the denial of the individual—would write:

"And in order to grow yet stronger,
I don't conceal my weakest spots.
And taking a road unsuited
to career-making
a road of scalding griefs
I stride on,
straightforward,
irreconcilable,
And that means—
I am young."*
My wish—Go thou and do likewise.
Irreconcilable—Evgeny Evtushenko,

# In Memoriam

## Robert Ferlauto

The Editors of "The Griffin," who represent the student body, administration, and faculty of Perkiomen School, honor the memory of Robert Ferlauto. Bob, as he was known to the faculty and students, was killed in an auto accident on April 16, 1962. He was seventeen years old and would have graduated with the class of 1963.

## Surprise Team of the Year

Predictions of the varsity football team's success were not optimistic. On the first day of practice there were but six lettermen on the field. In the opener against Hun School, a late rally brought the Indians a tie. The footballers then travelled to George School where, after a bone-jarring struggle, they accomplished their first victory. By the third game with Wyoming Seminary the gridders were ready to play football commendably. They played impressively and beat the Seminarians decisively.

The basic inexperience of the team came to the fore in their fourth contest when they lost out to Morristown. Weather conditions hampered the Perkiomen running attack when their next opponent, Germantown Friends, "waddled" away with the league championship. Delbarton proved to be a formidable sixth opponent, and the Indians suffered their third straight defeat.

In the final game of the season the gridders recoiled and surpassed Friends Central by a wide margin. The Perkmen finished third in the Penn-Jersey League and posted a 3-3-1 record.

The 1962 Varsity Soccer Team compiled an overall record of six wins, three losses and a tie, which gave the squad the distinction of posting the only winning record of any of the fall sports teams. The team was led by Chuck Fox, a small but agile senior, who led in the scoring department with fifteen goals. He was followed by Ead Bhumichitra with six goals and Lee Barnes, Jeff Kugel, and John Seidel with two goals apiece.

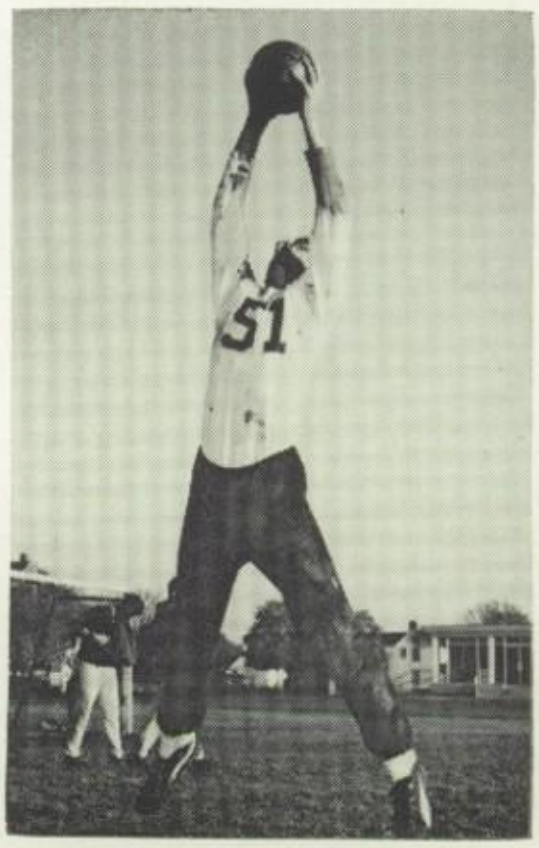
The squad showed tremendous drive and determination, which was evident in their victories over Hill and Ursinus College. Never did the team let up and the desire to win was always present. Although it could gain only a tie with Blair, coach Engle called the team's performance the best of the year. The game went two overtimes and was played on a very wet and slippery field.

No one player can really be singled out for his performance, but John Henderson, Wally Wells and Chuck Fox deserve special credit for their ability and determination. It will be a long time before Perkiomen has another goalie like Henderson, another halfback like Wells and another center forward like Fox.

These are the Griffin's choice as the most outstanding soccer players of 1962

Wally Wells—center halfback

Chuck Fox—center forward



John Henderson, goalie—Captain

However, three players do not make a team. Credit should also be given to the following for their efforts in making the team as successful as it was: Ead Bhumichitra, Jeff Kugel, Lee Barnes, John Seidel, Joe Minikarn, Steve Bartlett, Bob Komminsk, Bob Klerx, Gary Pleam, Rick Moyer, Ed Priebe, Jeff Milberg and Berry Grant.

The prospects for next year are not bright. Only two lettermen return, Grant and Bhumichitra. However, this year was a rebuilding year too, and it's fairly certain that coach Engle will have a team ready by opening day that will be able to play with the best of them. He did this year and he'll do it again.

At this point we would like to pay tribute to Mr. Engle for the team that he produced this year. Without his knowledge of the game the squad would never have accomplished the record that it did. Although at times he expressed disappointment with the efforts of various individuals, he still managed to gain, and keep, the respect of the players. Much more could be said about this man, but we just want him to know that we deeply appreciate all that he did for the soccer team. He's a great coach, and we're sure that Perkiomen will remain an annual soccer power as long as he's around.

# Cross Country

*Kneeling:* Macaulay, Schlegel, Jacobi, Melpolder. *Standing:* LaRue, Saunders, Ebbert, Ralston.

The Cross-Country team showed an obvious improvement over last year's winless season by winning four meets, and losing six. This select group of varsity athletes consisted of: Bob Saunders, Bob Ralston, John Schlegel, Fred Melpolder, Dallas Macaulay, and Steve Sweely. Upper Dublin, George School, Southern Lehigh, Blair Academy, Bishop Kenrick, and Delbarton proved to be better than their equal. They triumphed, however, over the Hill J.V.'s (twice), the Hun School, and Solebury. In the Hill School meet the Perkiomen harriers overwhelmed the opposition, 18 to 37. Melpolder garnered a first place, Macaulay a second, and Saunders a third. Ralston (fifth place) and Schlegel (seventh), along with Sweely (tenth), rounded out the finishers. During the Solebury meet Bob Saunders set a course record of 11:11. A Solebury runner and Perk's Bob Ralston also broke the record. Schlegel barely missed it by four seconds. Additional contributors to the rout were: Macaulay (seventh place), Melpolder (eighth), and Sweely (ninth). Throughout the season Saunders proved to be an outstanding competitor and led the Perkiomen cindermen to a most successful season.

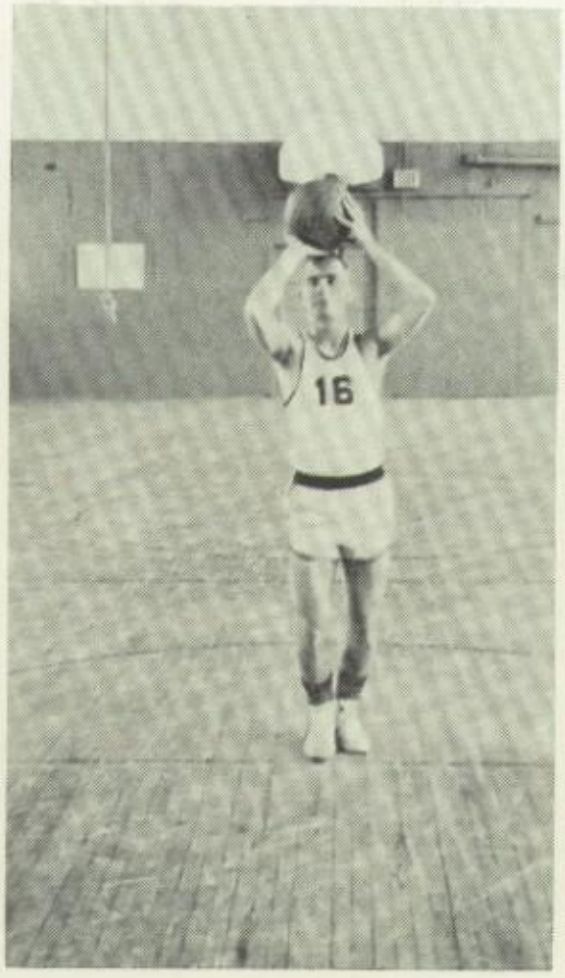
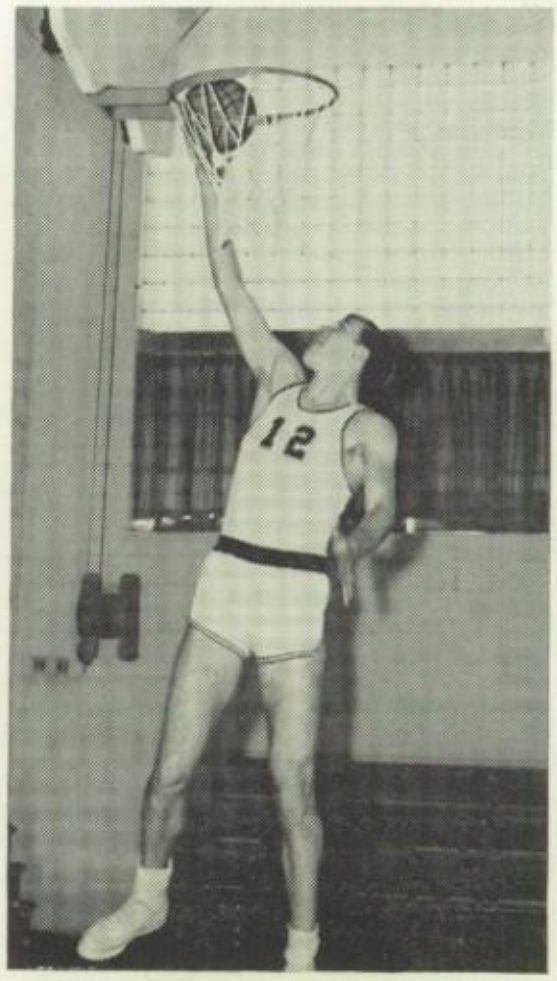
Jeff Milberg—the shooter



Wally Wells—the playmaker



Mac Bryce—the rebounder

# Senior Cagers

Although the final record stood at eight wins and ten losses, this does not pay tribute to the tremendous determination evinced by the Perkiomen Basketball team. Only two letter winners returned. They were Mac Bryce and Wally Wells. This lack of experience was mostly overcome by the drive, effort and ability of the individual players.

The team was composed of three seniors; Mac Bryce, Wally Wells and Jeff Milberg. Milberg broke the school scoring record by amassing more than 370 points for the campaign. Wells was the playmaker of the team while Bryce proved to be a valuable rebounder, as well as a good point getter. The other two starting players were Jere Whitman and Mike Nagle. Of the starting five, all were six feet or better except for Wells, who stood five-eight.

A special note should be added here for Fred W. Berg and the fine job that he has done as basketball coach here at Perkiomen for the last three years. Next year he will be teaching and coaching at St. Stevens School in Alexandria, Virginia. From the Basketball team and the yearbook staff— good luck.

# Varsity Wrestling

*Kneeling:* Fowler, Clause, Barnes, Reddick, Smith, Myers. *Standing:* Civitts, Klerx, Pleam, Tinney, Wade, Stemler, Mr. Baker.

The grapplers, although lacking the experience necessary to produce a truly great team, still managed to boast the best overall record of all the winter sports teams; posting a 7-5 slate. Sparked in the scoring column by co-captains Lee Barnes, Bob Klerx, Jack Civitts, and Gary Pleam, the team narrowly missed pulling out several close matches.

Lee Barnes showed his brilliant talent on the mats by going undefeated in dual meets throughout the season and then going on to win the Inter-Academic Wrestling title at 112 lbs. He also set a Perkiomen School scoring record by amassing 71 points during the season. Bob Klerx also deserves recognition for his second place finish at 133 lbs. in the Episcopal Invitational Inter-Academic Tournament.

Lee Barnes was voted the team's most valuable member, while Gary Pleam was voted the most improved wrestler. All but four men return next year and, hence, a good year next season seems inevitable.

# *ORGANIZATIONS*

# Griffin

*Seated:* Mr. Horn, Baker, Moyer, Forman. *Standing:* Mattson, Eshleman, Brode, Henderson, Plesset, Koch, Sweely.

This year's Griffin Staff produced one of the largest and best yearbooks in the history of Perkiomen School. The staff was composed of the following boys: Arnold Moyer, Editor-in-Chief; Morris Baker, Associate Editor; Barry Forman, Sports Editor; Jeff Plesset, Business Manager; Steve Sweely, Copy Editor; Jeff Brode and Erik Koch, Advertising Managers; and Dave Mattson, Dick Eshleman and John Henderson, Managing Editors. Mr. John Horn served as the Griffin's Advisor.

Three main points were emphasized in the 1963 Griffin: more snapshots of better quality, a class will and a class prophecy, and an individual write-up for each senior. The Kutztown Publishing Company was responsible for printing the Griffin, while Mr. Edwin Styer of East Greenville did much of the photography.

The Griffin overcame many of their financial problems through a superior job of collecting advertisements. It has been a fine year and the staff feels that it has produced a yearbook which we think you will always treasure and remember.

# Perkiomenite

*Seated:* Wood, R., Milberg, Epstein, Himwich, Wood, H., Kugel. *1st Row:* Baker, Mattson, Wells, Wierman, Estreicher, Genszler, Peters, Pantzer. *2nd Row:* Ahlborn, Zimmerman, Yerkes, Sanft, Melpolder, Macaulay, Cawley.

The 1963 Perkiomenite Staff undertook an extensive program of revision, remodeling and improvement. This face-lifting involved such improvements as a change in newsprint, the basic format of the paper, and the organization of the staff itself. The Perkiomenite is currently ranked first in the Columbia Scholastic Press Association, but it is hoped that the new revisions will boast the paper into the Medalist category. With these modifications complete, the '64 staff and the staffs of the future will have a sounder basis from which to work and to improve.

This year the staff was headed by Alec Himwich and Howard Epstein. Other prominent staff members were Harry Wood, Jeff Kugel, Jeff Milberg, Richard Genszler, Keith Wierman and Morris Baker.

# Student Senate

*Seated:* Parsons, Tinney, Ellis, Reckmack. *Standing:* Wade, Schwenk, Estreicher, LaRue. *Absent:* Hetzel, Good, Wade, D., Wood.

The Student Senate this year was led by Senate President, Charles Hetzel. The Vice President was William Tinney and the Secretary, Robert Ellis.

A few of the major Senate accomplishments this year were: the formation of a Student Advisory Council, a strong orientation program for new students, and a basic realization that the Senate can and must fight for student interests. The Senate also fought for a better laundry situation for the student body.

This year saw the establishment of the Student Senate Citizenship Award, which is presented to the student whose citizenship is superior and who deserves recognition. The Senate this year also worked along with the Student Advisory Council and the Student Disciplinary Committee in handling many of the school's problems.

It is the hope of Charles Hetzel that this ideal of student government will be one that will last and grow through the years. A good beginning was made this year.

# Disciplinary Committee

*Seated:* Epstein, Forman, Tinney, W., George. *Standing:* Wells, Hetzel, Bryce, Tinney, M., Wade.

The Disciplinary Committee this year was under the leadership of its very able chairman, Barry Forman. This organization, much like the Advisory Council, was composed of both seniors and juniors. Both Mike Tinney and Andy Wade will be back next year to assume the responsibilities of this committee.

The Disciplinary Committee acts on a recommendation from the Student Advisory Council. It also handles other cases which come directly from the Administration and Faculty. These cases include: boys who have an overaccumulation of demerits, and the disrespect for teachers or others with high authority.

This year marked the second anniversary of this organization. It has proven itself thoroughly and has also shown that it has the authority to back up what it enforces. It ranks as probably the most stable of the many organizations on campus.

# Advisory Council

*Seated:* Himwich, Barnes, Baker, Keyser. *Standing:* Hetzel, Snavely, Ikeda.

The Advisory Council began its first year of existence under the able leadership of Charles Hetzel, the President of the School. The Council consisted of seven members, five seniors and two juniors. The two juniors, Ned Snavely and Stewart Ikeda, will be back next year to head this organization.

The Advisory Council serves three important purposes. It advises students who have an over-accumulation of demerits to work them off, it deals with the problem of cheating, and it advises students who seem to be on the borderline of serious trouble.

This is a new and important organization and if its good leadership is continued, as it was this year, it should become one of the most important organizations here at Perkiomen.

# Band

*First Row:* Estreicher, Fowler, Egber, Tener, Wierman, Tyson, Reddick, Silverglide, Lloyd, Jackson. *Second Row:* Mr. Figlear, Pomeroy, Breed, Ebbert, Gibbons, LaRue, Goldsmith, Klerx, Bartlett.

The Perkiomen School Band this year consisted of approximately twenty members and was under the able leadership of Mr. Francis Figlear. The band was quite active in school affairs, playing many times before the school and at several football games. Its members played several different types of instruments, ranging from the tuba to the clarinet.

For the first time this year the band also consisted of a Brass Choir. The ten boys who composed this group were guided by Mr. Figlear and Mr. Stephen Rogers. This group played before the student body at Christmas Vespers and at several chapel services. They also played at the junior houseparty and at commencement.

This year's band showed great improvement over the bands of previous years and is looking forward to a highly successful season next year.

# Science Club

*Seated:* Ahlborn, Ralston, Kugel, Zimmerman. *Standing:* Gilmer, Peters, Northeimer, Haak, Newman, Melpolder, Pantzer.

The Science Club proved to be one of the most active organizations on campus this year. Bob Ralston, Jeffrey Kugel, and Judd Glenney were elected President, Vice President, and Secretary respectively. Mr. Hrisko served as the advisor of this club.

The Science Club took many trips during the academic year 1962-63. Among the places they visited include: Bethlehem Steel, The Alcoa Aluminum Company of America, Homer Research Laboratories, The Winthrop Laboratories, and The Princeton Radiation Laboratories. A cave trip is also planned for later in the year.

The Science Club has also attracted the interest of the students by showing many movies throughout the year, which dealt with the many aspects of science. It has been a great year for this club and it is not hard to see why it is one of the most popular organizations on campus.

# Varsity Club

*Seated:* Yerkes, Reckmack, Tinney, Wells. *Standing:* Barnes, Fox, Henderson, Brown, Milberg, Ellis, Lancaster, Civitts.

This year the Varsity Club, under the leadership of its two presidents, John Henderson and Dave Brown, was among the most elite of the organizations here at Perkiomen. The boys initiated into this organization must prove not only to be outstanding athletes, but well rounded individuals as well. Prior to acceptance, the candidate must go through a period of stiff self-sacrifice, which is designed to separate the undesirables and acquaint the remaining boys with the requirements of the club.

The main task of the Varsity Club is to organize and establish the "Purple and Gold" dance, which is held in November. John Henderson, speaking for the Varsity Club, would like to thank their advisor, Mr. Frederick Berg, for his services rendered throughout the academic year.

# Alpha and Omega Club

*Seated:* Hetzel, Forman, Marcus, George. *Standing:* Rev. Rothenberger.

# Junior

*First Row:* Lansberry, Mamolen, Johnston, Melpolder, Grant, Kistler, Atkinson, Griffin, Kurtz, Hillyer, Gilmer. *Second Row:* Abplanalp, Bayer, Bittenbender, Cucinotta, Lake, Genszler, Musselman, Baylis, Morgan, Cooper, Goldsmith, Fritz, Morton. *Third Row:* Manthorne, Breed, Anschutz, Kaplan, Hausmann, Irwin, Gibbons, Ebbert, Diaz, Harrington, Frank, Laser, Myers, Macaulay, Ikeda.

This year's Junior Class proved to be very active in the many phases of Perkiomen life. Under the leadership of Dave and Andy Wade, Fred Kistler and Frederick Melpolder the class attained many of their far-reaching goals. Their pizza sale proved to be a great success, while their subscription rights to the "Philadelphia Inquirer" also brought in some of the much needed money necessary to provide a successful Junior Prom, the big event of the Junior year.

The Junior Prom was one of the largest and best proms ever put on here at Perkiomen. Fifty-five couples attended. The Saylor Band provided the music, while records were used for the post-prom party. The dance was entitled "Rome after Dark".

Many Juniors attained honors throughout the academic year '62-'63. These included: William Musselman, Richard Genszler, and Fred Myers, first honors; Townsend Anschutz, Harvey Tyson, Bruce Sanft, Larry Stern, Mark Averbach, William Steinmetz, second honors; and Andrew Abplanalp, Stu Ikeda, Mark Mamolen, Howard Gibbons, Andy Wade, Dave Wade, Harvey Trimble, Mike Nagle, Ned Johnston, Ned Snavely, Mike Peters, Bob Morgan and Mike Tinney, third honors.

Many Juniors also received Varsity Letters. They included Berry Grant, Stu Ikeda, Dallas Macaulay, Frederick Melpolder, Mike Nagle, Ed Priebe, Ned Snavely, Ron Stemler, Mike Tinney, Andy Wade, Dave Wade, and Jere Whitman.

This class has great potential and should go on to be a senior class which will long be remembered.

# Class

*First Row:* Whitefield, Newman, Galustian, Proctor, Pantzer, Trimble, Parsons, Wade, A. *Second Row:* Service, Saunders, Snavely, Tinker, Sanft, Tyson, Cawley, Smith, Silverglide, Sincavage, Peters. *Third Row:* Parkes, Tener, Nagle, Steinmetz, Tinney, Priebe, Stemler, Whitman, Williams, Wexler, Wade, D., Stern.

## Talented Juniors

# Sophomore Class

*First Row:* Markowitz, Merklee, Hopf, Jackson, Bitner, Amelung, Casey, Mersheimer, Ridings, Lloyd. *Second Row:* Bralow, Blumberg, Shaner, Seasholtz, Egber, Pariser, Becker, Delany, Drippe, Lopez, Klink. *Third Row:* Lindemuth, Jones, Prince, Mulhern, Veety, Clayton, Goldsmith, Jack, Biechlin, Bhumichitra, Sillins.

The class of '65 is one of great potential. This year it was headed by the following boys: Marshall Schwenk, President; Bob Shaner, Vice President; John Seasholtz, Secretary; and Herb Shear, Treasurer.

The Sophomore Class proved to be quite active in sports. Bob Shaner, Marshall Schwenk, Ken Jackson, Rick Casey, Ead Bhumichitra, Tom Veety, Bob Waldeissen, John Clauss, Bob Saunders and John Seasholtz all received Varsity Letters. Those receiving J.V. Letters include Trip Becker, Mark Egber, Steve Pariser, Herb Estreicher, Tom Ridings, Bob Kolbe, Bob Bitner, Harry Clayton, Herb Shear, Ted Fowler, Jeff Beck and Walt Mersheimer.

The class of '65 also "sprouts" many honor students. Sophomores who consistently made the honors list included: John Seasholtz, Jeff Beck, Mark Egber, Gary Bralow, Tom Biechlin, Bob Kolbe, Paul Prince, and Marshall Schwenk. Paul Prince was the sole representative of the sophomore class on the debating team.

Many sophomores are engaged in the Glee Club and in other campus activities. Also, the class treasury has been boosted by several hundred dollars in preparation for next year's Junior Prom.

The class of '65 appears to be one with a great amount of potential and will no doubt, in the future, prove to be one of the better graduating classes in the history of Perkiomen School.

# Freshman Class

*Seated:* Pringle, Hoffman, Kleinberg, Smith, P., Macdonald, George, Baum, Reddick, Parenti, Lyon. *Standing:* Simon, Gardner, Schlegel, Hanners, Pomeroy, Clark, LaRue, Martin, Mattia, Blank, Smith, G.

This year's Freshman Class proved to be quite active in all school events. On Parents Day the Freshman captured a first place for their project entitled "Move On the Purple and the Gold." When it came time for class elections the following were voted into office: President, Morell LaRue; Vice President, John MacDonald; Secretary, William Reddick; and Treasurer, John Schlegel. Robert Good was elected hall representative.

The following Freshmen achieved honors for the year: John Schlegel, Peter Mattia, John Parenti, Peter Smith and Robert Clark. Most of the class lived on campus; however, there were four day students. They were Peter Smith, Robert Clark, Louis Hoffman and Randall Carlins.

Much is expected of the class of '66, and with a little help, they should be able to reach the goals which they have set for themselves.
